WONDERLAND BLEND OF STRAIGHT WHISKEYS

CASK STRENGTH LAKESIDE EDITION

THE STORY

Michiganders have a passion for life unspoiled and undiluted. While modern life has watered down our time and our energy, we know in any season, we are mere minutes away from outdoor adventure. Wonderland has concentrated the flavor of Michigan into its Cask Strength Blend of Straight Whiskeys, for the freedom to mix, proof, blend, and live life at our own pace.

THE TASTE

Wonderland's Cask Strength Blend of Straight Whiskeys starts with a strong, yet tempered aroma of brown sugar, butterscotch, caramel popcorn and pumpernickel toast. Hints of plum and dried fruits contrast perfectly with rye spice and white pepper to provide complexity. Heavy oak, toffee and bold vanilla dominate the medium-length finish. The proof will range from 117-123, depending on the batch number.

THE INGREDIENTS

A custom blend of local whiskeys from hand-selected barrels - 100 percent Michigan rye and Michigan wheat whiskeys, combined with 100% corn bourbon whiskey, aged separately and small batch blended at our Muskegon distillery. This limited-edition blend is bottled straight from the barrel without proofing down, for a full, rich flavor and higher ABV.
